Judges

The Court orders that the delayed application for leave to appeal is DISMISSED, in part, with regard to Issue III because this Court lacks jurisdiction to entertain review of the issue. *City of Westland v Kodlowski*, 298 Mich App 647; 828 NW2d 67 (2012). In all other regards, the delayed application for leave to appeal is DENIED because defendant has failed to establish that the trial court erred in denying the motion for relief from judgment.
