Judges

The Court orders that the motion to waive fees is GRANTED for this case only.

The delayed application for leave to appeal is DENIED because defendant has failed to establish that the trial court erred in denying the motion for relief from judgment.

The defendant's application is denied because he alleges grounds for relief that were decided against him in a prior appeal, and he does not allege that a retroactive change in the law has undermined the prior decision. MCR 6.508(D)(2). The defendant has failed to show error in the denial of the motion for relief from judgment.
