The Court orders that the motion for leave for the trial court to consider defendants-appellees' motion for partial reconsideration is GRANTED. The trial court shall rule on the motion for partial reconsideration and may grant any relief it deems appropriate, pursuant to MCR 7.208(A)(1).

Defendants-appellees shall file with this Court a copy of any motion and any supporting brief filed in the trial court within 14 days of the Clerk's certification of this order. The trial court is to hear and decide the matter within 56 days of the Clerk's certification of this order. The trial court is to make findings of fact and a determination on the record. The trial court is to cause a transcript of any hearing on remand to be prepared and filed within 21 days after completion of the proceedings.

Defendants-appellees must also file with the Clerk of this Court copies of all orders entered on remand within 14 days after entry. Defendants-appellees shall file any claim of cross-appeal within 21 days after entry of the trial court's order deciding the matter or 21 days after the transcript of the hearing on remand is filed, whichever is later. The time limit for the filing of plaintiff-appellant's brief on appeal is also extended to 28 days after entry of the trial court's order deciding the motion for partial reconsideration or 28 days after the transcript of the hearing on remand is filed, whichever is later.

This Court retains jurisdiction in the cause, and the time for proceeding with the appeal in this Court begins upon issuance of an order in the trial court that finally disposes of the remand proceedings. Nevertheless, the time for proceeding with the appeal begins 14 days from the date of certification of this order if remand pleadings are not filed in the trial court within the 14-day period.
