

**Court of Appeals, State of Michigan**

**ORDER**

**Angelo S Brown v Board Of State Canvassers**

Docket No. **331390**

---

Michael J. Talbot, Chief Judge, acting under MCR 7.201(B)(3), orders:

The motion to waive fees is GRANTED for this case only.

The motion to extend time to cure the defects is DENIED.

The claim of appeal is DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defects in this filing, and the defects were not corrected in a timely manner by providing this Court with a copy of the register of actions; a copy of a jurisdictional checklist; a copy of the order appealed on the merits entered on or before January 29, 2016, the date of filing of the claim of appeal; and a proof of service of the claim of appeal on opposing counsel. Dismissal is without prejudice to whatever other relief may be available consistent with the Court Rules.
