ORDER

In re Conservatorship of James R Johnson

Docket No. **331571**

LC No. **2014-800349-CA**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the January 28, 2016 order appointing a special conservator pending discovery before an evidentiary hearing regarding the conservatorship in probate court is not an order that is appealable of right to this Court. The order is not a final order resolving the conservatorship matter. MCR 5.801(B). Interlocutory orders from the probate court are appealable only by leave granted from the circuit court, see MCR 5.801(D).
