

Court of Appeals, State of Michigan

ORDER

People of MI v John Russell Kanerva

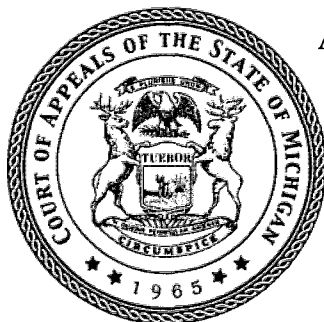

Docket No. **331712**

LC No. **15-053878-FH**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because the January 5, 2016 order denying motion for disqualification is not a final order appealable of right. MCR 7.202(6)(b); MCR 7.203(A). At this time, appellant may seek to appeal that order by filing a delayed application for leave to appeal under MCR 7.205(G). The Court notes that, while appellant refers to the order appealed from as a January 6, 2016 order evidently based on the date it was mailed, the order is actually dated January 5, 2016.

The motion for restraining order is **DENIED** as moot.
