David Reza-Bergen Sheikh-Movahhed v Julie A Francis

Docket No. 331738

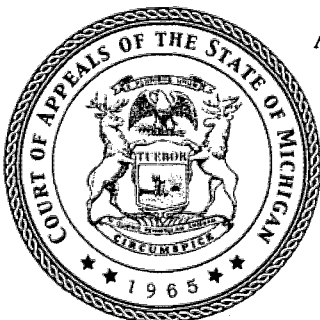

LC No. 14-002440-DM

The Court orders that the motion for reconsideration is DENIED. Contrary to appellant's position, her motion for reconsideration filed in the trial court on January 26, 2016 in relation to the denial of her earlier objections to and motion for clarification of the judgment of divorce did not extend the time for filing a claim of appeal because that motion for reconsideration was not filed within the 21-day period after entry of the judgment of divorce which is the apparent final judgment in this case.
