

Court of Appeals, State of Michigan

ORDER

In re Salahuddin Saleem Ahmad MD

Docket No. **331877**

LC No. **13-012472**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the February 16, 2016 order appealed from is not appealable of right to this Court. MCR 7.203(A). Notably, that order is not appealable to this Court under MCL 333.16237(6) because it is not an order of a disciplinary subcommittee. There does not appear to be any other statutory provision that makes the February 16, 2016 order of the Board of Medicine directly appealable to this Court.
