The Court orders that defendant-appellant's motion to dismiss and remand is GRANTED TO THE EXTENT that these cases are REMANDED to the trial court for further proceedings, including a new violation of probation hearing, before a different circuit judge in accordance with the parties' stipulation. MCR 7.216(A)(7). Further, these consolidated appeals are concluded with entry of this order. The Court notes that this is more properly characterized as a resolution of these appeals pursuant to its acceptance of the substantive agreement of the parties than as a dismissal of the appeals.

We do not retain jurisdiction.

This order has immediate effect. MCR 7.215(F)(2).
