Judges

In lieu of granting leave to appeal, pursuant to MCR 7.205(E)(2), the Court orders that the Wayne Circuit Court's September 17, 2015 final order of filiation is VACATED. The trial court erred in failing to properly consider defendant's argument that, pursuant to 2013 MCSF 2.05(B), the assistance plaintiff receives from her parents in the form of, for example, housing and food, may be included as income to plaintiff, in addition to her actual income from employment. This matter is REMANDED to the trial court for reconsideration. The court may hold any additional evidentiary hearings necessary to make its determination regarding the value of "gifts or gratuities" plaintiff receives from her parents and to exercise its discretion whether to include those amounts as income to plaintiff, pursuant to 2013 MCSF 2.05(B). The court shall recalculate defendant's support obligations based on any changes to plaintiff's income.

This order is to have immediate effect. MCR 7.215(F)(2).

This Court retains no further jurisdiction.
