The Court orders that the motion to waive fees is GRANTED for this case only.

The delayed application for leave to appeal is DENIED because defendant failed to establish that the trial court erred in denying his motion for relief from judgment. The rule announced in *People v Lockridge*, 498 Mich 358; 870 NW2d 502 (2015), has no retroactive application to sentences on collateral review. *Butterworth v US*, 775 F3d 459, 468 (CA 1, 2015); *Simpson v US*, 721 F3d 875, 876 (CA 7, 2013).
