The Court orders that the motion to remand is DENIED because defendant may file a motion for a new trial in the trial court at this time without a need for a remand from this Court. MCR 7.208(B)(1) allows a defendant to file a motion for a new trial in the trial court within 56 days after the commencement of the time for filing the defendant-appellant's brief. Thus, because the time for filing defendant's brief on appeal commenced with the filing of the transcript for this case in the trial court on July 5, 2016, MCR 7.212(A)(1)(a)(iii), defendant has until August 30, 2016 to file motion for a new trial in the trial court without any remand order from this Court.
