People of MI v Scott Duane Smith

Docket No. 332828

LC No. 15-001408-FH

---

The Court orders that the motion to remand is DENIED for failure to persuade the Court of the necessity of a remand at this time. We note that a motion to remand is not an appropriate context to request this Court to grant substantive relief on the merits of an appeal such as ordering that a defendant be granted a new trial.
