

Court of Appeals, State of Michigan

ORDER

Judy Steinbrink v Mark Daniel Noreyko

Docket No. **333115**

LC No. **02-723176-DP**

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to file appellee's brief is GRANTED. Contrary to appellant's position he was required by MCR 7.210(B)(1)(a) to secure filing of the full transcript, not only transcripts of those hearings that he unilaterally determined to be relevant. In this regard, appellant has provided no indication of having filed a motion in the trial court under MCR 7.210(B)(1)(c) to have less than the full transcript included in the record on appeal but rather indicated in his jurisdictional checklist filed with the claim of appeal that the complete transcript had been ordered. Appellant is directed to order the preparation of transcripts of all hearings in the trial court in this case that have been held since November 7, 2014, and provide the Clerk's Office of this Court with notice of having done so within seven days after the date of this order. Appellee's brief shall be due 21 days after the date of filing of those transcripts.
