Judges

The motion to file appellants' brief on appeal and its Exhibits 9, 10, 12, and 18 under seal is GRANTED. The Court finds good cause to seal the brief and exhibits based on the trial court's December 5, 2014, protective order and the discussion of the protected materials in the body of the brief. Under the circumstances, the Court finds that there is no less restrictive means to adequately and effectively protect the interest asserted. MCR 7.211(C)(9)(b) and (e).

The Clerk may disclose or provide copies of any order or opinion entered in this appeal, MCR 8.119(I)(5); MCR 7.211(C)(9)(c), but appellants' brief and the sealed exhibits and other materials or pleadings filed under seal pursuant to this order or MCR 7.211(C)(9)(b) shall not be disclosed or made available for public viewing. The case docket shall not be blocked on the Court's website.

The Court further orders that appellees may likewise file their briefs under seal if the briefs include the discussion of record materials filed under seal pursuant to the trial court's protective order of December 5, 2014.

The Clerk is directed to forward a copy of this order to the Clerk of the Supreme Court and to the State Court Administrative Office. MCR 8.119(F)(7); MCR 7.211(C)(9)(c).
