Pursuant to MCR 7.205(E)(2), in lieu of granting the application for delayed appeal, the Court REMANDS with instruction that in order to make the divorce judgment comport with the settlement agreement as put on the record at the August 27, 2015 hearing, the divorce judgment shall be amended to insert a provision requiring plaintiff to pay one half of any costs associated with removing his name from the mortgage on the marital home, and to remove the provision that states, "The parties shall alternate the tax deduction for the minor child, with Plaintiff being entitled to the tax deduction for the year 2015." We do not retain jurisdiction.
