Docket No. 333857

LC No. 15-021437

The Court orders that the motion for immediate consideration is GRANTED.

The motion to expand the record is recognized as actually constituting a motion to remand. The motion to remand is DENIED.

Further, on the Court's own motion, this appeal is DISMISSED for lack of jurisdiction. MCL 333.16237(6) only allows for an appeal of right to this Court from a final decision of a disciplinary subcommittee. The June 23, 2016 order appealed from was a decision of the entire Board of Veterinary Medicine, so MCL 333.16237(6) does not apply to allow an appeal to this Court from that order. Rather, appellate review of the June 23, 2016 order would properly be sought in an appropriate circuit court under MCL 600.631.
