

Court of Appeals, State of Michigan

ORDER

Jane Doe 2 v George Conrad-Spencer Young DC

Docket No. **334326**

LC No. **2014-007400-NH**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the order dated July 26, 2016 and entered in the circuit court register of actions on July 27, 2016 is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). That order is not a final order under MCR 7.202(6)(a)(i) because it leaves the claims against defendant-appellee George Young, D.C., undisposed. In this regard, contrary to appellant's indication, the July 27, 2016 order can only reasonably be considered as granting summary disposition to the other appellees, not as disposing of any claim against Dr. Young. At this time, appellant may seek to appeal the July 27, 2016 order by filing a delayed application for leave to appeal under MCR 7.205(G)
