---

The Court orders that the motion for immediate consideration is GRANTED.

The motion to expand the record is DENIED.

The motion for peremptory reversal is DENIED for failure to persuade the Court of the existence of manifest error warranting peremptory relief without argument or formal submission.

The application for leave to appeal is DENIED for failure to persuade the Court of the need for immediate appellate review.

Meter, J., would deny the motions for peremptory reversal and to expand the record, but grant immediate consideration and leave to appeal.
