

Court of Appeals, State of Michigan

ORDER

People of MI v Jamshid Bakshi Zahraie

Docket No. **334853**

LC No. **13-012924-FH**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because, while it indicates that it is taken from a final judgment or order entered on August 30, 2016, no such judgment or order was actually entered. An appeal of right must be taken from an appropriate judgment or order, i.e., a written judgment or order. MCR 7.203(A). The trial court should enter a new claim of appeal and order appointing counsel for defendant after a written order is entered reflecting the trial court's oral decision at the August 30, 2016 hearing.
