

Court of Appeals, State of Michigan

ORDER

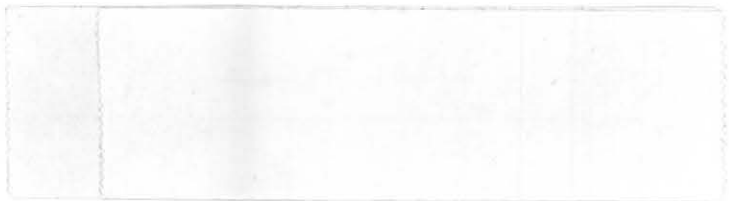

In re Maijah Renatta Greene

Docket No. **335364**

LC No. **12-507110-DL**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the September 23, 2016, order appealed is not appealable by right. MCR 7.203(A). The order is not an order of disposition placing a minor under the supervision of the court or removing the minor from the home where the order is merely a continuation of probation. Thus, the September order is not appealable by right under MCR 3.993(A)(1). Further, where the order is not an order terminating parental rights, an order required by law to be appealed to this Court, or a final order concluding the case under MCR 3.993(A)(2), (3), or (4), any appeal must come by application for leave to appeal. MCR 3.993(B).
