Docket No. 329955

LC No. 2015-000159-AA

Stephen L. Borrello
Presiding Judge

Judges

The Court orders that the motion for reconsideration of this Court's February 28, 2017 opinion is DENIED.

Further, on the Court's own motion, the Clerk's Office is directed to again return to appellant the "Proposed Judgment and Order Before the Court" that he resubmitted to the Clerk's Office on March 16, 2017. No provision of the Michigan Court Rules authorizes such a submission to this Court. The provisions of MCR 2.602 are inapplicable to an appeal in this Court because the procedures for issuing orders and opinions in this Court are set forth in MCR 7.215. See MCR 2.001 (rules in Subchapter 2.000 inapplicable "where a rule applicable to a specific court . . . provides a different procedure").

The motion to strike appellee's response to appellant's proposed judgment and order before the Court is DISMISSED as moot.
