

Court of Appeals, State of Michigan

ORDER

People of MI v Adrian Deshone Person

Docket No. 335219

LC No. 15-020356-FH

Amy Ronayne Krause
Presiding Judge

Stephen L. Borrello

Michael F. Gadola
Judges

The Court orders that the motion for immediate consideration is GRANTED.

The motion for peremptory reversal is DENIED for failure to persuade the Court of the existence of reversible error so manifest as to warrant immediate reversal without formal argument or submission.

The motion to remand is also DENIED for failure to persuade the Court of the necessity of a remand at this time, particularly as the trial court has already decided the postjudgment motion to withdraw defendant's plea.
