

Court of Appeals, State of Michigan

ORDER

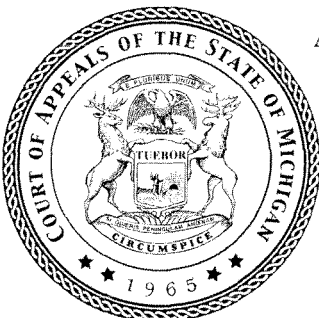

People of MI v Eve Ann Conely

Docket No. **336473**

LC No. **16-007556-FH**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction. In light of the amended order appointing appellate counsel entered by the trial court it appears manifest that the claim of appeal was mistakenly entered because there is no appeal of right in this criminal case involving plea-based convictions. MCR 7.203(A)(1)(b). Rather, any appeal must come by application or delayed application for leave to appeal under MCR 7.205.
