RE: Motion For Reconsideration, COA No. 336655, SAB No. 3108

Dear Clerk,

Enclosed for filing with the court is a motion for reconsideration.  
Also attached are the following:

Court of Appeals Order Dated 2/23/17

Affadavit of Jailhouse Lawyer James Dulak

Letter from your office with direction for this motion

I would also like to mention that I am very thankful for the patience of the court and to the clerks. It must be difficult for a person experienced with the law to watch kindergardeers attempt to play in their ballcourt. My apologies for my ignorance.

As for the motion to settle the record, it seems fruitless to pursue if this court has no jurisdiction, so I gues I should withdraw that motion at this time. However, if this court deems that I have standing in any way, I would like to reserve the right to attempt to beable to obtain the record from uncooperative appellees.

Again, thank you for your time in this matter and for your patience.  
God Bless.

Respectfully,

*Colin Thompson*
