

**Court of Appeals, State of Michigan**

**ORDER**

People of MI v Thomas Arthur Lemoine

Docket No. 336691

LC No. 2016-002188-FH

Michael J. Kelly  
Presiding Judge

Peter D. O'Connell

Stephen L. Borrello  
Judges

---

The Court orders that the motion to hold motion to remand in abeyance is DENIED without prejudice to the ability of appointed appellate counsel for defendant to file a motion for leave to allow defendant to file an additional pro per motion to remand based on additional grounds to seek a remand when any such additional motion to remand is ready to be submitted to this Court.

The motion to remand is also DENIED for failure to persuade the Court of the necessity of a remand at this time.
