

Court of Appeals, State of Michigan

ORDER

Steven Veral Griffin v Sarah Marene Griffin

Docket No. **336985**

LC No. **16-056337-DM**

Michael J. Talbot, Chief Judge, acting under MCR 7.211(E)(2), orders:

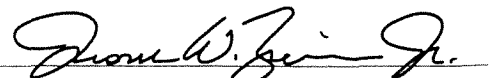

The motion for reconsideration is DENIED. There would be no point to this Court exercising its discretion to vacate the April 19, 2017 order based on appellant's untimely provision of the items specified in that order. Particularly, the items include a judgment of divorce entered April 5, 2017, which it is apparent is the judgment appellant is seeking to appeal from. But the claim of appeal in this file was filed *before* entry of that judgment of divorce. Thus, this Court lacks jurisdiction over the claim of appeal because a claim of appeal must be filed *after* entry of the judgment or order appealed from. See MCR 7.204(A)(1)(a). At this time, appellant may seek to appeal the April 5, 2017 judgment of divorce by filing a delayed application for leave to appeal under MCR 7.205(G).
