Docket No. 337106

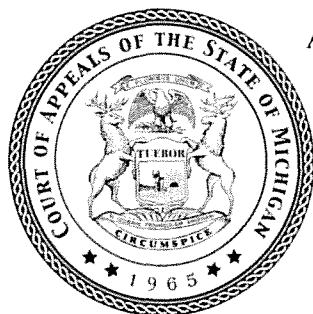

LC No. 11-000549-DS

Judges

The Court orders that the ex parte motion for custody is DENIED because it improperly seeks relief from this Court based on alleged present circumstances that are not part of the record for this appeal. This order is without prejudice to the ability of appellant to file a motion seeking relief she may deem appropriate in the trial court based on its continuing jurisdiction to consider changing child custody based on proper cause and a change in circumstances despite the existence of a pending appeal from a prior child custody order. See, e.g., *Safdar v Aziz*, ___ Mich App ___; ___ NW2d ___, slip op pp 3-4 (Docket No. 337985, issued September 7, 2017).
