Pursuant to MCR 7.205(E)(2), in lieu of granting the application for delayed appeal, the Court REMANDS this case to the Kent Circuit Court. In its August 23, 2016 order, the circuit court revoked its May 20, 2016 order allowing alternate service on the ground that the May 20, 2016 order was "signed in error," with no further explanation. Without that explanation, meaningful review is not possible. The circuit court is directed to provide to this Court, within 14 days from the date of this order, a written explanation regarding why it concluded that the May 20, 2016 order was signed in error. We retain jurisdiction.
