Judges

The Court orders that the motion for immediate consideration is GRANTED.

On the Court's own motion, appellant's filing on February 27, 2017, is treated as including an application for leave to appeal as to the February 10, 2017 circuit court order in Jackson Circuit Court Docket Number 16-003269-CZ, and the application for leave to appeal is GRANTED. Thus, following entry of this order, the Clerk's Office shall open a new Court of Appeals file and assign a Court of Appeals docket number as to the appeal from the February 10, 2017 circuit court order. Further, the present appeal and the new appeal as to the February 10, 2017 circuit court order are CONSOLIDATED with each other and with the appeals in Docket Numbers 335913, 335914, 335916, 335918, and 335919 to advance the efficient administration of the appellate process.

The motion for stay shall be treated as filed only in the new appeal to be opened as to the circuit court case because it seeks a stay as to that case. The motion for stay is DENIED.

The motion to expedite is treated as filed as to both the present appeal and the new appeal to be opened as to the circuit court case, and the motion to expedite is GRANTED as to both cases. Thus, the Clerk's Office is directed to expedite the submission of these consolidated appeals on the session calendar in accordance with MCR 7.213(C)(7).
