

Court of Appeals, State of Michigan

ORDER

Kevin Schantz v Tena R Schantz

Docket No. **337599**

LC No. **2016-000281-DM**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the March 7, 2017 postjudgment order, dismissing appellant's motion to set aside the judgment of divorce, is not a final order as defined in MCR 7.202(6). MCR 7.203(A)(1).

Additionally, appellant's motion for postjudgment relief was not filed within the initial 21-day appeal period after entry of the December 28, 2016 judgment of divorce, or within further time allowed by the trial court. MCR 7.204(A)(1). Therefore, the claim of appeal is not timely filed based on the December 28, 2016 judgment.

At this time, appellant may seek to appeal only by filing a delayed application for leave to appeal under MCR 7.205(G).
