

Court of Appeals, State of Michigan

ORDER

Connie Evwaraye v Michigan Assigned Claims Plan

Docket No. 337611

LC No. 16-011869-NF

Kirsten Frank Kelly
Presiding Judge

Christopher M. Murray

Cynthia Diane Stephens
Judges

The Court orders that the motion to dismiss is GRANTED. The appeal is dismissed for lack of jurisdiction because the March 3, 2017 order appealed did not decide plaintiff's claims for insurance benefits. The order therefore did not adjudicate the rights and liabilities of the parties and is not a final order pursuant to MCR 7.202(6)(a)(i). It is not appealable by right. The Court further notes that the ongoing proceedings in the trial court, including defendant's notice of taking deposition and the parties' stipulation to stay the matter pending appeal, belie defendant's claim that the March 3, 2017 order concluded the case. The instant appeal is dismissed.
