Pursuant to MCR 7.205(E)(2), in lieu of granting the application for leave to appeal, the Court REMANDS to the circuit court for articulation of the findings and reasons for granting in part, and denying in part, appellant's motion for extraordinary attorney fees. The current record contains no explanation for the court's March 9, 2017 order, and thus, no basis for determining whether the circuit court abused its discretion. Within 14 days of the date of this order, the circuit court shall submit to this Court its written findings and rationale for the March 9, 2017 order. The court should address "the reasonableness of the fee in relation to the actual services rendered," and articulate its basis for concluding that the requested fees are not reasonable. *In re Ujlaky*, 498 Mich 890; 869 NW2d 624 (2015). We retain jurisdiction.
