The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED. Defendant-appellant has not demonstrated that further factual development of the record or an initial ruling by the trial court is necessary at this time in order for this Court to review the issues on appeal. However, defendant-appellant has now preserved his objections to the scoring of Offense Variables 4 and 10, provided those objections were not previously waived. MCR 6.429(C).
