

Court of Appeals, State of Michigan

ORDER

Angela Nails v Pro Assurance Companies

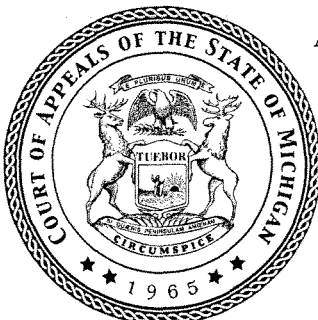

Docket No. **339050**

LC No. **17-000094-NH**

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2) and MCR 7.217, orders:

The motion captioned as a "Motion of No Transcript," which actually constitutes a motion for reconsideration of this Court's October 20, 2017 order, is STRICKEN based on appellant having failed to file proof of service of the motion as required by MCR 7.211(A)(5) within 14 days after the Clerk's Office October 30, 2017 letter advising of this defect.

This appeal is DISMISSED for want of prosecution, appellant having failed to file evidence of having ordered a transcript of the June 14, 2017 hearing in this case as required by this Court's October 20, 2017 order and MCR 7.210(B)(1)(a).
