The Court orders that the motion for reconsideration is DENIED. Appellant cites no statutory or court rule provision actually providing for a direct appeal to this Court from an order of the Public School Employees' Retirement Board. Rather, MCL 24.302, part of the Administrative Procedures Act, provides that, in the absence of a special statutory review method, judicial review shall be by a petition for review in accordance with MCL 24.303 to 24.305. MCL 24.303(1) provides for such a petition for review to be filed in the circuit court where the petitioner resides or has his or her principal place of business or in the Ingham Circuit Court. Thus, the general provisions of the Administrative Procedures Act do not provide for a direct appeal from an administrative board's decision to this Court.
