

Court of Appeals, State of Michigan

ORDER

Kirk Leaphart v State of Michigan

Docket No. 339680

LC No. 17-000130-MZ

Amy Ronayne Krause
Presiding Judge

Patrick M. Meter

Brock A. Swartzle
Judges

The Court orders that the motion for reconsideration is DENIED. Appellant has not established that this Court lacked legal authority to grant appellee's motion to remand. Indeed, he does not consider the language of this Court's November 20, 2017 order discussing this Court's authority to grant that motion under MCR 7.216(A)(7). Further, appellant has not established any fundamental unfairness in our remand order or any error in our subsequent November 22, 2017 order dismissing this appeal as moot. We note that the November 13, 2017 order extending the time for filing appellee's brief is moot in light of the November 22, 2017 order dismissing this appeal and our denial of reconsideration of that order.

Further, the Clerk's Office is directed to return to appellant, without accepting for filing, the motion to disqualify Judges Stephens and Gadola that he submitted on November 16, 2017 because that motion is moot in light of the dismissal of this appeal and the present order.
