The Court orders that the motion to remand is GRANTED, and this case is REMANDED to the trial court to allow current appellate defense counsel to file a motion to withdraw as counsel. The motion to withdraw shall be filed with the trial court within 14 days after the date of this order. Current appellate defense counsel shall file with this Court a copy of any order entered by the trial court on remand within 14 days after entry of the order.

Further, this case is HELD IN ABEYANCE until 21 days after entry of either a trial court order appointing substitute appellate defense counsel or denying current appellate defense counsel's motion to withdraw. In the event that substitute counsel is appointed this is intended to allow substitute counsel a period to consider whether to file a motion in this Court to supplement the current delayed application for leave to appeal or replace it with an amended delayed application. Substitute counsel may file an appropriate motion in this Court to extend the abeyance period if he or she concludes it is appropriate. If the trial court denies current appellate defense counsel's motion to withdraw she may file a reply brief to plaintiff's answer to the delayed application within 21 days after the date of the trial court's order denying the motion to withdraw.
