

Court of Appeals, State of Michigan

ORDER

Kalvin Lamar Washington v Chippewa Correctional Facility Warden

Collen A. O'Brien
Presiding Judge

Docket No. 340748

Mark T. Boonstra

LC No. 16-014310-AH

Thomas C. Cameron
Judges

The Court orders that the motion for reconsideration is DENIED because appellant has not established that this Court has jurisdiction to entertain his delayed application for leave to appeal the June 29, 2016 circuit court order or provide other relief based on the delayed application where the delayed application was not timely filed within the six-month period allowed by MCR 7.205(G)(3). We reiterate that appellant is free to file an original complaint for habeas corpus in this Court with regard to the merits of his claim for the habeas corpus relief that was denied in the June 29, 2016 order because there is no set time limit for filing an original complaint for habeas corpus under MCR 3.303(A)(2).
