

Court of Appeals, State of Michigan

ORDER

Kalvin Lamar Washington v Chippewa Correctional Facility Warden

Docket No. **340748**

LC No. **16-014310-AH**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The delayed application for leave to appeal is DISMISSED for lack of jurisdiction because it was not filed within six months after entry of the June 29, 2016 circuit court order dismissing appellant's petition for habeas corpus. MCR 7.205(G)(3). The Court notes that this does not preclude appellant from filing an original complaint for habeas corpus in this Court under MCR 3.303(A)(2) in relation to that June 29, 2016 order. Unlike with the time limit for filing a delayed application for leave to appeal there is no set time limit for filing an original complaint for habeas corpus under MCR 3.303(A)(2).

The motion to waive fees is also DISMISSED as moot.
