The Court orders that the motion to waive fees is GRANTED and fees are WAIVED for this case only.

The Court further orders that the delayed application for leave to appeal is DISMISSED, in part. Appellant has failed to demonstrate his entitlement to an application of any of the exceptions to the general rule that a movant may not appeal the denial of a successive motion for relief from judgment. MCR 6.502(G). To the extent that defendant asserts that the Kent Circuit Court is biased against him, that he is entitled to DNA testing under MCL 770.16 or that he is entitled to relief due to the destruction of biological material in violation of MCL 770.16(12), the delayed application is DENIED for lack of merit in the grounds presented.
