---

On the Court's own motion, in the interests of justice and judicial economy, the claim of appeal electronically filed by plaintiffs and assigned Court of Appeals Docket Number 340904 is treated as a claim of cross appeal in Docket Number 340890. The October 11, 2017 order is not directly appealable of right by plaintiffs in a claim of appeal because they are not aggrieved by the portion of that order partially denying the state defendants' motion for summary disposition, and that order is not a final order under MCR 7.202(6)(a)(i), as it does not dispose of all claims in this case in light of the partial denial of summary disposition. MCR 7.203(A). But plaintiffs are entitled under MCR 7.207(A)(1) to file a cross appeal to challenge the aspects of the October 11, 2017 order by which they are aggrieved.

The Clerk's Office is directed to refund the \$375 entry fee paid by plaintiffs in Docket Number 340904 because their cross appeal is taken as to the same order as the principal appeal for which the state defendants had already paid a \$375 entry fee. MCL 600.321.

Further, in light of the relief granted in this order, the Court of Appeals file in Docket Number 340904 is CLOSED.
