

**Court of Appeals, State of Michigan**

**ORDER**

**Core Contracting Inc v Green Oak Phase II Owner LLC**

Docket No. 340899

LC No. 17-029281-CH

---

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the August 31, 2017 order denying appellant's postjudgment motion to reinstate the case is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). Further, even if that order were a final order appealable of right, the claim of appeal was not timely filed because it was not filed within 21 days after entry of that order and the relevant trial court motion for reconsideration was not filed within the initial 21-day appeal period or further time allowed by the trial court during that period. MCR 7.204(A)(1)(a)-(b). At this time, appellant may seek to appeal the August 31, 2017 order by filing a delayed application for leave to appeal under MCR 7.205(G).
