

Court of Appeals, State of Michigan

ORDER

People of MI v Derrick Alden Johnson

Docket No. **328443**

LC No. **08-001534-FC**

Jane M. Beckering, Chief Judge Pro Tem, acting under MCR 7.211(E)(2), orders:

The matter of the disqualification of Judge Jane M. Beckering “and the entire panel” was previously considered and DENIED in orders entered on October 29, 2018 (Beckering, J.) and October 30, 2018 (Murray, C.J.). The remaining portions of appellant’s October 29, 2018 motion, requesting several different forms of relief, including but not limited to the withdrawal of the appellant’s brief filed by Michael Faraone, the entry of orders compelling action by the trial court, and the providing of additional time for appellant to file another brief, are DENIED in their entirety.

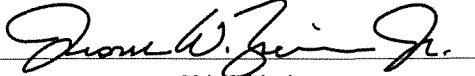

Pursuant to this Court’s order of October 17, 2018, this appeal is proceeding on both the appellant’s October 5, 2018 brief and his previously filed 50-page Standard 4 brief, as this Court will consider all issues properly raised on appellant’s behalf that are within the scope of this appeal, and the appeal remains EXPEDITED.
