The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED. Defendant-appellant has not demonstrated that further factual development of the record or an initial ruling by the trial court is necessary at this time in order for this Court to review the issues on appeal. In lieu of remanding this matter to supplement the record with copies of the search warrant and the affidavit relied upon to obtain the search warrant for defendant-appellant's telephone, defendant-appellant may rely upon those documents in arguing the issues on appeal, even if those documents were not previously made a part of the trial court record.
