

**Court of Appeals, State of Michigan**

**ORDER**

**Julia Hamlin v Craig Hamlin**

Docket No.   **339233**

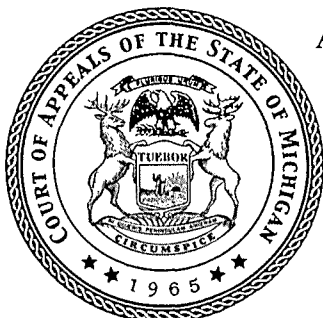

LC No.       **16-007134-DO**

---

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

Appellant's motion captioned as a motion to dismiss is recognized as a motion to withdraw the appeal, and the motion is GRANTED. Thus, this appeal is DISMISSED.

The request for costs in the motion is disregarded because such a request must be made in a separate appropriate submission to this Court. Further, it is unclear on what ground the request is made.
