---

The Court orders that the motion to file under seal the medical records submitted as offers of proof in support of the motion to remand and brief on appeal is GRANTED. We find good cause to seal those medical records based on the confidential nature of medical records, and determine that there are no less restrictive means to adequately and effectively protect the interest asserted. MCR 7.211(C)(9)(e).

The Clerk shall disclose or provide copies of any order or opinion entered in this appeal, MCR 8.119(I)(5); MCR 7.211(C)(9)(c), but sealed pleadings or other contents of the file shall not be disclosed or made available for public viewing. The case docket shall not be blocked on the Court's website.

The motion to remand is DENIED because it is untimely and for failure to persuade the Court of the necessity of a remand at this time. But we note that, by bringing the motion to remand, defendant has preserved his arguments challenging the scoring of offense variables 3, 4, and 10 of the sentencing guidelines for full appellate review. MCL 769.34(10).

The Clerk is directed to forward a copy of this order to the Clerk of the Supreme Court and to the State Court Administrative Office. MCR 8.119(I)(7); MCR 7.211(C)(9)(c).
