The motion for immediate consideration is GRANTED.

The motion to remand to withdraw as appellate counsel is GRANTED TO THE EXTENT that this case is REMANDED to the trial court for current appellate defense counsel to file a motion in the trial court seeking to withdraw as appellate counsel and for substitute appellate counsel to be appointed. The motion shall be filed with the trial court within 14 days after the date of this order. Current appellate counsel shall file with this Court a copy of any order entered by the trial court on remand within 14 days after entry of the order.

Further, this case is HELD IN ABEYANCE. If the trial court grants the motion to withdraw and appoints substitute appellate counsel the abeyance shall conclude 21 days after entry of the order appointing substitute counsel. This is intended to allow substitute counsel a reasonable time to possibly file a motion in this Court to supplement or replace the current amended delayed application for leave to appeal or to take other action substitute counsel deems advisable. If the motion to withdraw is denied by the trial court the abeyance will conclude upon this Court's receipt of a copy of the order denying the motion to withdraw.
