

Court of Appeals, State of Michigan

ORDER

Carol Slocum v Amber Floyd

Docket Nos. 338782; 340242

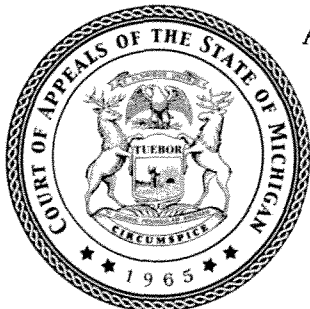

LC No. 16-000992-DC

Peter D. O'Connell
Presiding Judge

Patrick M. Meter

Stephen L. Borrello
Judges

The Court orders that the motions to dismiss these appeals are DENIED because appellees have not clearly established that the orders appealed from are not final orders appealable of right. This order is without prejudice to the ability of the case call panel to fully consider the jurisdictional issues raised in appellees' briefs on appeal as to these appeals as of right.
