

Court of Appeals, State of Michigan

ORDER

People of MI v Eric Lynn Byrnes

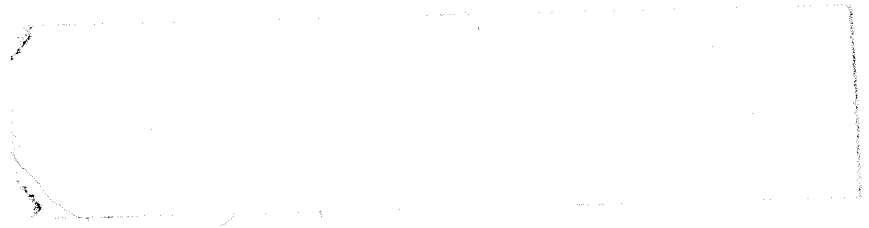

Docket No. **341377**

LC No. **17-000289-FH**

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion to allow in pro per Standard 4 supplemental brief to application for leave to appeal is GRANTED so that the supplemental *in propria persona* brief submitted with the motion is accepted for filing. The Court notes that, while instructive, Standard 4 of Administrative Order 2004-6 does not actually apply to an application for leave to appeal, which is why the filing of a motion for leave to file an *in propria persona* supplemental brief was necessary.

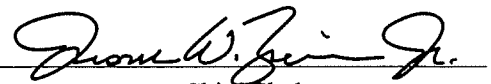

Plaintiff may timely file an answer to the supplemental brief within 21 days after the date of this order. After the filing of such a timely answer or after the period for filing such a timely answer has expired the delayed application for leave to appeal with the supplemental brief will be submitted to a panel for a decision under MCR 7.205(E).
